AFTER THE MILE RECORD.

ROSEBEN TO GO AGAINST SALVATOR'S 1:351 AT BELMONT PARK SATURDAY.

Voorhees Runs Six and One-Half Furlongs in 1:17 1-5, New American Record-Memorable Day of Betting, Upsets and Coups.

New York, October 17.—On the Westchester Racing Association's official program this afternoon the following special announcement was printed: "On Saturday, October 20, the last day of this meeting at Belmont Park, about the time fixed for the third or fourth race of the day, Mr. D. C. Johnson will run his horse Roseben against the time record made by Salvator at one mile, carrying 110 pounds in 1:355, run at Monmouth Park on August 28, 1830. Roseben is to carry 110 pounds or over and to equal or beat 1:351. The trial is to be made at a mile over the main course. The West 25, 600 and carry 110 pounds or over and to equal or beat 1:355. The trial is to be made at a mile over the main course. The West 25, 600 and carry 110 pounds or over the main course, the salvator's \$3,600 and course of the equals or beats the track record of 1:375, made by Kiamesha last fall. He must beat Salvator's time of 1:35½ to get the \$5,000 and silver cup."

There will be three official timers. The regular timer, W. H. Barretto, and J. W. Rogers, have thus far been named. The latter officiated on the occasion of Salvator's record-breaking mile at Monmouth Park sixteen years ago.

Siunning upsets marked today's racing. There conditions prevailed, who and tesarrectible weather conditions prevailed, who and tesarrectible weather conditions prevailed, who and tesarrectible weather conditions prevailed, who and the add card attracted one of the greatest crowds of the meeting. Roseben's wonderful exploit of the day before had a tendency to boom this most fascinating of out-of-door sports.

The track was again lightning fast and the American record was shattered when Voorhees was driven out by Frank Lord to win the opening race over the six and one-half furlongs straight course in *12118. This is four-fitting of a second faster than the previous record, which was made by Van Ness at Sheepsheat Eay. September II. 1900.

SUNNY WEATHER AT DALLAS NOW.

Dallas, Texas, October 17.—For the first time ince the meeting opened the sun shone out in all its glory today and a big crowd was out to see the races at the fair grounds. It was draw-in day and twenty-two-books cut in for three days. The track was still heavy and holding, but it was drying rapidly and the harness races will be resumed to-morrow, which will make the post time on the runners 3:15. There was quite a bit of good class sprinkled through the program, which included the Navigation Stakes for two-year-olds. Seven answered the bugle call. Ed Trotter's Jacomo was always favorite, with Tres Joli second choice. The whinner turned up in G. W. Scott's Mary Candlemas, a handsome daughter of Candleblack, which nade all the running and won handly from the favorite. Tres Joli, in close contention to the eighth post, dropped back out of the money. Lampadrome surprised all by taking a speedy lot into camp in the second race of the day, which had the best class horses outside of the stake, Bonnie Prince Charlie beat a cheap lot in the first. Rosi Ni Ni, Netting and Mary Ellen were the other winners. Netting was bid up to \$700, \$300 over her entered price, and bought by William Keene.

BALDWIN PLANS AN AMERICAN DERBY.

Los Angeles, Cal., October 17.—The Baldwin Racing Association has opened offices in the Delta Building. The offices are in the charge of General Manager Clem Creveling and Secretary E. S. Albright. "Lucky" Baldwin says he proposes to revive the American Derby and make it an annual fixture at the new track. He says that since he won the great race four times he is most entitled to duplicate the name and conditions which were dropped with the passing of Washington Park.

LAZARUS WILL SELL HIS HORSES

New York, October 17.—Sam Lazarus, the Texas turfman, has decided to sell all the horses he has in training. Among them are Macy, Jr., Temaceo and Pepper and Salt. They will be offered by auction Saturday at Belmont Park. Handzarra is another that is to pass through the sale ring Satur-

MINNIE ADAMS BREAKS A TRACK RECORD.

Runs One Mile and a Sixteenth in 1:46 2-5 at Churchill Downs-Racing Gossin.

Louisville, Ky., October 17.—Minnie Adams, making her first appearance in a race since June 16, when she finished seventh in the Queen City Handicap at Latonia, won the fifth race at Churchill Downs this afternoon and set a new track record for the one mile and a sixteenth—1:403. Though she had been working fast since her return from the east, some doubt existed as to her thorough fitness, but the heavy backing she was accorded by Fred Cook dispelled this and caused many of the most dublous to trail in the wake of her owner. She showed her old-time flight of high speed and raced along in the lead by a safe distance and although tiring slightly near the end, won well in hand.

She showed her old-time flight of high speed and raced along in the lead by a safe distance and although tiring slightly near the end, won well in hand.

In the steeplechase, Creolin scored his third victory at this meeting. His victory today, however, was a flukey one. With good racing luck Lady Jocelyn would have won. She blundered at the last six jumps and her rider lost his stirrup at the last one.

Finishes were close in most of the races and the big crowd enjoyed the sport immensely. Nicol's ride on Shining Star was mostly responsible for that horse coming home in front. High Bear and Martius would have both beaten him out in a few more strides.

E. J. Gildersleeve, owner of Alsono bid up Fair Calypso from her entered price of \$500 to \$800. She was retained.

Jockey W. Fischer was fined \$25 for cutting across in front shortly after the start with Governor Orman in the third race. Jockey Keyes was fined \$25 for carrying one and one-half pounds illegal weight on All Ablaze. He weighed in five pounds over and came back scaling six and one-half over.

The Canadians attempted a strong coup on Salvage in the opening race, backing him from the high price of 25 to 1 to 6 to 1. He tired badly in the stretch after early prominence.

Robert Tucker was among the new arrivals. He became the owner of Auditor just before the last race, paying Jake Greenberg \$1,000 for the horse with the added stipulation that in case the horse won, the purse was to go to Greenberg.

Mose Goldblatt got back from New York with the horses Adbell, Killfecrankie, Joe Fallert, Mortiboy, Gargantna and Paragon, which he purchased revently. All his horses will be shipped from here to Latonia. J. C. Cahn and H. R. Baker will ship their horses at the close of this meeting to Memphis, where they will rest for sometime before being shipped to New Orleans.

C. C. McCafferty says Dr. Leggo is again going soundly and is getting a steady preparation for his California campaign this winter.

Sixteen yearlings owned by Edward Corrigan will shortly arrive

NO CONTEST OVER JOHN DALY'S WILL.

New York, October 17.—The threatened contest over the will of John Daly, the former partner of David Gideon in his turf ventures, who died on April 26 last, collapsed when all objections to the probate of the will were withdrawn.

Miss Bertha Barron and Mrs. Gertrude McGowan, two nieces of the testator, were not remembered in the will, and they announced their intention of trying to break the instrument. They said that a month before he made his will, in September, 1905, they had visited him at Saratoga, but he falled to recognize them. On this they intended to base their allegation that Daly was mentally incompetent when he made his will.

John Daly's estate, it is said, will foot up about \$750,000. He remembered a number of relatives and named James A. Lynch and Richard T. Lynch as his executors.

FIGURES ON A PARLAY PROPOSITION.

Had any person made a parlay bet of one dollar on the six winners at Belmont Park yesterday afternoon it could not have been paid in gold, silver and currency by all of the bookmakers in the ring. While it is, of course, more or less idle to figure over the possibilities of a dollar so parlayed, these results are given for the benefit of those who may be curious enough to want to know them: At the opening price \$1 parlayed would have brought \$3,150,840; at the highest odds the fotal would have figured \$103,711,600 and at the closing odds it would have been \$19,601,475.

ASCOT PARK TO HAVE NEW BARNS.

Los Angeles, Cal., October 17.—There are now more than 200 horses at Ascot Park and small strings are arriving daily from of the country. The stream of horses from the east will start about November 1. General Manager Brooks says it is probable that several new barns will be erected.

MR. M'CANN OUT OF THE HARBOR HILL.

New York, October 17.—Colonel Bob Neville s Mr. McCann will not be a starter for the Har Hill Cup. In his race last Thursday one of McCann's hind legs was badly out just above pastern joint and he barely escaped having tendon entirely severed.

A. T. A. OFFICIALS IN SESSION.

Louisville, Ky., October 17.—W. O. Parmer, Edward Corrigan, Matt J. Winn and other members of the American Turf Association are in session tonight at the Galt House. The nature of the meeting had not been made known at S o'clock.

NOTES OF THE TURF.

Jacobite is again on the shelf.

Some of the critics in the east are of the opin that Oxford could have beaten 1:18 in his race Monday.

"Snapper" Garrison says Ginette is the gamest mare he ever saw, not excepting Firenze, which he rode in nearly all of her races.

"C. T. Henshall could probably sell Ginette for \$25,000 right now," says the New York Sun, "but he intends to keep her as long as she is in condition to go to the post."

Cairnogum man, not he among the desired.

Cairngorm may not be among the starters in the weight for age race at Belmont Park Saturday. He came out of his race Monday very sore.

Thomas Hitchcock, Jr., has expressed himself as well pleased with the showing of Orthodox in his races over the obstacles and he says he is satisfied that he will make a good steeplechaser.

Went to post at 2:49. At post 4 minutes. Start good. Won handly; second easily; third driving. Still Alam, well handled and running to his best form, was saved from the early pace, moved up with a rush on the stretch turn and held the others safe through the stretch. Tanager forced a fast pace in the early stages, raced Spider Web into subjection and lasted well in the final drive. Ouardi was shuffled back soon after the start and bore out through the stretch run, but stood a drive gamely. Lady Vimont had scant chance with the incompetent handling she was subjected to and can do much better. Spider Web ran well for the first ince-quarters. San Ardo fired near the end. Eva Iser was a sharp contender for the first half. Calita quit badly in the last quarter.

Went to post at 3:47. At post 1 minute. Start good. Won easily; second driving; third the same. Creolin fenced well and, being given a good rick, was a steady follower of the leaders for the first time around, moved up fast when called on an 1 came away in the stretch with plenty in reserve. Dr. Keith put up a good performance and lasted well in the final drive. Lady colcyn showed the most early speed, but blundered repeatedly over the last half dozen jumps, Archibald losing one of his stirrups. Plea ran a good race and is showing steady improvement. Ninepin pulled up very lame. The others were beaten off throughout. Andacious fell at the first jump and Dell Leath lost his rider at the sixth.

GOOD MEETING IN PROSPECT AT PIMLICO.

Stable Room Has Been Pre-empted-Plenty of Occupation for the Steeplechase Brigade.

Baltimore, Md., October 17.—More horses will be on the ground for the coming fall meeting of the Maryland Jockey Club at Pimileo than ever attended a meeting in Baltimore. Superintendant Brennan has received applications for stable room that will completely fill the stables, and late comers will have to take their chances finding accommodations outside of the track. There are many available stalls to be had, however, as in the immediate vicinity of Pimileo are three or four trotting tracks at which owners of runners may put up their thoroughbreds.

The officials of the club are pleased with the way.

at which owners of runners may put up their thoroughbreds.

The officials of the club are pleased with the way in which the stake fixtures have filled. They believe that this indicates a higher class of racing than Baltimore has seen in many years. Nearly all the best steeplechasers in training are entered in the Plinlico Antunm Steeplechase, and as there will be a jumping race each day, the lovers of cross-country sport will have a better opportunity to witness their favorite sport than has ever before been presented. With the meeting of the United Hunts so closely preceding the Plinlico meeting and the Bennings meeting to follow immediately afterward, the owners of steeplechasers are counting on more than a month's continuous racing for their horses, and the jumping division ought to go into whiter quarters with good-sized bankrolls.

A feature of the cross-country events of course will be the presence of many amateur riders in the saddle. Dion Kerr will bring his stable over to race through the meeting and will be up on his horses whenever possible. Courtland Smith will also race liss stable of "leppers," which includes that good horse Goldfleur. As usual, Mr. Smith will ride occasionally, though he will depend mostly on his trainer, Silas Veitch. Naturally, the chance to see the amateurs ride will hattract large crowds of society folk. Besides the steeplechase the gentlemen fiders will have other oportunities to show their skill in races on the flat. The Country Club Scilling Stakes has attracted a fine field, including such good ones as Ryan, Cadichon, Simple Honours, The Clown, Spring, Cary, the horse that defeated the great Oiseau last summer; Jake, Disobedient, Royal Window and Weirdsone.

Two-year-olds will have a chance to win their winter oats in several good races. The Walden has filled well and some good coits and fillies will contest for the \$1.000 purse. Altogether it looks as if Pinilico would enjoy the best meeting it has land since the reorganization of the Maryland Jockey Club.

WILL RACE AT CHANTILLY NEXT SUNDAY.

No More Racing at Longchamps This Season-Bookmakers Did Not Incite the Riot.

The French Government has ordered that these be no more racing at Longchamps this year. The program for the coming Sunday has been transferred to Chantilly. This course is far enough away from Paris to prevent the attendance of the class of people who engaged in the rioting at Longchamps last Sunday. The transfer was made on the advice of M. Lepine, prefect of police, who informed M. Ruau, minister of agriculture, that since the lawless element had found, through the experiences of last Sunday, that the betting booths can be robbed with case under such a condition of excitement as prevent a recurrence until stronger structures for the housing of the mutuel machines and the cashiers can be erected,

In some cablegrams it had been hinted that certain bookmakers, disgruntled at the operation of the mutuels, through which the government derives great revenue, had taken advantage of the leaving of the horses at the post in the Free Handicap last Kunday to precipitate a riot. The latest advices from Paris, however, scout this idea. Nothing to support it has been shown the government investigation. The Frenchmen who were engaged in the rioting of last Sunday are of a class and temperament that need no suggestions from bookmakers to incite a riot. Such demonstrations against the starter and even the jockeys are frequent, only the race-goers have refrained heretofore from burning buildings. Starts are made in France with the aid of a barrier and from a standstill, just as they are in New York. Bets are made on the track, not with bookmakers, but through the medium of the "Paris Mutuels." Favorites receive the bulk of the backing, and whenever the first choice receives a bal send-off, and is beaten thereby, the crowd feels ugly enough to lynch the starter. The jockey riding a beaten favorite often has to run for shelter after dismounting.

COLONEL NEVILLE'S DILEMMA.

Going to Belmont in the train a day or two ago, Billy Garth and Colonel Neville were talking over steeplechase prospects in general.

"I don't wish his owners any bad luck," remarked Colonel Neville, "but I certainly hope some horse will come along and beat that John M. P. good and strong."

"For goodness sake, why?" asked Mr. Carthy

good and strong."
"For goodness sake, why?" asked Mr. Garth. surprised at the vehemence of his usually mild-mannered friend.
"Because," exclaimed the Colonel. "if he keeps on winning every pinheaded Anglomaniae in America will be going to England to buy jumpers, and I'll have to buy a farm over there and move my Virginia horses over in order to sell them—that's why."—Morning Telegraph.

S. J. K., Chicago. Angleta's last winning race was at Memphis, May 1.
C. A. W., Chicago. A disqualified herse is placed last and bets go with the disqualification.
P. G., Chicago. Your place bet on Yama Christy was a draw, there being no separate place betting.

I. L., St. Louis, Mo. Ten dollar flat bet daily. Straight always. Longest losing sequence eight

days.

J. H., Chicago. Hadur had been sold and Goldic was scratched so there was no Corrigan entry and the wager was a draw.

R. L. N., Clarksville, Tenn. While common on the trotting turf, the style of betting you refer to is in use so seldom on the running turf that it is not worth quoting.
